

ED LINGEL BACKGROUND

As the new owner of Daequip Premium Attachments, Ed is not new to the Equipment Industry and brings with him a wealth of equipment, field related experience and customer support. Ed successfully worked for 12 years as a Major Account Manager for one of the world's largest equipment distributors, 4 years prior to that at a large attachment manufacturer as an account manager covering the western US and Western Canada. In a related field Ed spent his first 10 years as a young entrepreneur helping expand his families Precast concrete business in the Okanagan Valley. Ed's success has been largely due to his focus and attention on customer support and satisfaction.

COMPANY OVERVIEW

Established in 1989 Daequip specializes in the design and manufacturing of attachments for all makes and models of compact, excavators, wheel loaders, crawler dozers and articulated dump trucks. Our product lines include:

Wheel Loaders:

- Quick couplers
- GP, Light Material & Rock Buckets
- Wood Chip & Sulphur Buckets
- Overclamp & Silage Buckets
- Jib Booms & Pallet Forks
- Pipe & Pole & Mat Handling Forks
- Hydraulic Angle Blades
- Grapples & Guarding

Excavators:

- Manual & Hydraulic Wedge couplers
- Oriel Pin Grabber couplers
- HD & Extreme Duty Buckets
- Skeleton, Trenching, & V-Buckets
- Wristo Side Tilt Blades & Buckets
- Rakes, Rippers, Thumbs, Grapples
- Lifting Devices, Compaction Wheels
- Full Machine Guarding,

Motor Graders:

- Snow Wings
- Push Blocks
- Front Lift Groups
- Hydraulic & Manual Blades

Articulated Trucks

- Tailgates
- Liners

Crawler Dozers:

- Clearing Rakes
- Rippers
- Guarding

Daequip also manufactures and installs machine guarding and hydraulics such as thumb installs, cab guards, cat walks, rock guards, underhouse, belly pans for all makes. To minimize on down time we stock pins, bushings, hydraulic thumb cylinders as well as bucket teeth and bolt on edges for most of our products.

You can choose from any of our engineered attachments or we will design and build to your specifications, all of our products can be shipped anywhere in North America, hassle free.

If You Don't see it, just ask us and we'll build it.
